Joe,

I'm assuming you are looking at the weekly sales file. They both are Cargill because Cargill was the only company that didn't combine their sales. I've spoken to both Cargill and JBS and they will be back in soon. They just have to get their reporting changed over to JBS.

Curtis,
We went from 8 packers to 6 in one week.
I assume one of those is Cargill. What was the other?
